**AMEND Senate Bill No. 667**

**House Bill No. 147\***

by deleting SECTIONS 1, 2 and 3 of the printed bill as amended, and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 68, Chapter 211, Part 1, is amended by adding the following as an appropriately designated new section:

Section 68-211-1\_\_\_\_. The department may issue permits authorizing the use of treated ash aggregate (TAA) as a building material in construction or site preparation applications in commercial and industrial settings.

SECTION 2. Tennessee Code Annotated, Section 68-211-103, is amended by deleting subdivisions (8) through (11) in their entirety and by substituting instead the following:

(8) "Solid waste" means garbage, trash, refuse, abandoned material, spent material, by-products, scrap, ash, sludge, and all discarded material including solid, liquid, semisolid, or contained gaseous material resulting from industrial, commercial, agricultural operations, and from community activities. Solid waste includes, without limitation, recyclable material when it is discarded or when it is used in a manner constituting disposal. Solid waste does not include solid or dissolved material in domestic sewage, or solid or dissolved materials in irrigation return flows or industrial discharges that are point sources subject to permits under § 402 of the Federal Water Pollution Control Act (compiled at 33 U.S.C. § 1342);

(9) "Solid waste disposal" means the process of permanently or indefinitely placing, confining, compacting, or covering solid waste; and

(10) "Solid waste processing" means incineration, composting, separation, grinding, shredding, and volume reduction of solid waste; provided, that it does not include the grinding or shredding of landscaping or land clearing wastes or unpainted, unstained, and untreated wood into mulch or other useful products.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
